

COVID-19: IPC measures currently in place

v5 April 2023

Wash hands

Wash your hands regularly before entering the hospital and wards

Make space

Stay at least 1 metre apart where possible

Cover face

Wear a surgical mask covering your nose and mouth, indicated as per IPC Guidance

Fresh air

Keep windows and doors open where possible to allow airflow

IPC measures

- Handwashing upon entry to RHN buildings
- Masks to be worn as indicated
- Physical distance (keep a 1m distance wherever possible)
- Fresh air (good ventilation)
- Surfaces and shared equipment cleaned in between use
