

IPC Guidance:

Managing equipment in clinical areas

v2 March 2024

1. Clean/disinfect (refer to decontamination protocol) after each patient use.
2. Place “I am clean” sticker on cleaned/disinfected toileting and showering equipment. Ensure it is signed and dated.
3. “I am clean” stickers are valid for 7 days if equipment is not in use.
4. Clean before use any equipment you take from storage.
5. Patient/resident owned devices/equipment will be sent with them on discharge or disposed of when no longer needed.
